

Defend our Values, Define our World.

AJC is the leading global Jewish advocacy organization, with unparalleled access to diplomats, government officials, and religious leaders around the world. Through these relationships and our expertise on key issues, AJC works to impact opinion and policy at the highest levels.

When our most precious values are threatened, we must defend them. AJC never stops—not for a single moment—working to advance Israel's quest for peace and security, enhance the well-being of Jewish communities across our globe, and safeguard the democratic rights we hold dear. AJC's goal is to shape a safer and more peaceful world. Our collective future is at stake. Join us.
